

DEMOCRACY & PUPPETRY

## DEMOCRACY & PUPPETRY

In the Erasmus+ project "Democracy & Puppetry", one cultural partner and one school partner from Belgrade, Budapest, Ravne na Koroškem and Vienna work on the topic of "Democracy and Human Rights".

In the course of the project, on the one hand, universally applicable, multilingual working materials for teachers and artists will be produced, and on the other hand, short puppet theatre performances will be staged by the pupils in public buildings in their home town (e.g. the town hall).
